E6000 FABRI-FUSE

FABRIC GLUE (Clear)

PRODUCT DESCRIPTION

E6000 FABRI-FUSE® creates an exceptional bond for general fabric applications. Its extreme flexibility, stretch and recovery won't create bumps or bulges on fabric and will allow fabric to remain flexible—even after washing. It bonds permanently, dries clear and is acid-free with almost no odor. E6000 Fabri-Fuse is so easy to use, it makes all your craft and hobby projects fun and unique. Machine washable and can be sewn through once dry!

WHERE TO USE / APPLICATIONS

Adhere appliques, patches, trims, lace, ribbon and decorative accents. Works great on fabric, felt, yarn, metal, wood, glass, ceramic, Styrofoam™, vinyl, rubber and much more!

LIMITED WARRANTY

The product is warranted against any defect in materials or workmanship under normal use for a period of 180 days after the date of purchase. The product is also warranted under any implied warranties provided under applicable law, including, without limitation, the implied warranty of merchantability and the implied warranty of fitness for a particular purpose, for a period of 180 days after the date of purchase. The manufacturer will not accept liability for more than product replacement. This warranty covers only the original buyer of the product. For warranty service, the buyer should contact the store where the product was purchased, or write Eclectic Products LLC, P.O. Box 4450, Pineville LA 71361 or call 800.767.4667. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. This warranty gives you specific legal rights, and you also have other rights, which vary from province to province.
